

A photograph of three young women, likely hotel staff, smiling and looking towards the camera. They are wearing white long-sleeved shirts with dark suspenders. The woman on the left has blonde hair and is wearing a necklace. The woman in the middle has brown hair styled in a braid and is wearing orange lipstick. The woman on the right has dark hair and is wearing glasses. The background is dark and out of focus, suggesting an indoor setting with warm lighting.

Modern Hotel Tradition

The Platzl Hotel – a Munich original!

Lively hospitality, traditional values, distinctive service! Our house has been firmly in family hands for three generations, and while much has been modernized over the years, one constant remains: The joy of welcoming, hosting, catering to and sending guests on their journey with a good feeling – down to earth, humane, genuine!

It begins in our open lobby, continues in the elegantly decorated rooms, and finds a delicious culmination in our locally inspired restaurants. Not only guests who want to discover Munich on a holiday, but also motivated business travelers will find the right setting with us: Our meeting area, completely renovated only a few years ago, will win you over with the right mix of charm, functionality and spatial diversity.

A true sense of well-being

Leather, loden wool, marbled wood

... all in the warm Platzl colors – plus quality linen. Our privately owned hotel with its 164 rooms and 15 suites exudes a warm and inviting sense of coziness.

Also “typically PLATZL” are our beer cosmetics from original Bavarian hops or the Mühldorfer brand pillow menu exclusively designed for us. An atmosphere as distinctive as Munich’s city center. A sense of living you would only find at home..

Pfistermühle

**Handcrafted.
Passionate.
Authentic.**

The natural woodlands, nearby waters and expansive fields of the Munich countryside form the foundation of all dishes served at **Pfistermühle**. Regional producers supply finest ingredients to our young kitchen team, who passionately craft inspired dishes with skill and expertise.

We like the special, but also the down-to-earth. We focus on old recipes for the basics, while in the interpretation we like to demonstrate a joy of creativity. Instead of replacing them with modern elements, the Pfistermühle's decades-old interior was restored in 2017 with great attention to detail. Indulge in exquisite Bavarian cuisine while seated on historic stone floors beneath charming vaulted ceilings.
